Exciting changes are coming!

Virginia Lottery

PLAYING IS EASY!

1. Play from 1 to 10 spots, and the more spots you play, the more you could win!
2. You can wager from \$1 to \$10 per draw, and the more you wager, the more you could win!
3. Play from 1 to 20 consecutive draws.
4. You can pick numbers from 1 to 80, or let the computer Easy Pick your numbers. Every 4 minutes**, the Lottery will draw 20 winning numbers (from 1 to 80). The goal is to match your numbers to the ones that are drawn.

DETERMINE TICKET COST

To figure out the cost of your Keno ticket, multiply the amount you wagered by the number of consecutive draws you chose. Example: You wagered \$5 for 10 consecutive draws. Your ticket cost is \$50.

GET PLAYING

Once you've filled out your playslip, you can give it to the clerk or put it in the Lottery Vending Machine.

Want to check your Keno numbers to see if you're a winner?

Here are the ways to do it.

- Watch the live drawings at valottery.com
- At a Ticket Checker at a Lottery retailer
- At any Lottery Vending Machine
- On the Lottery app

**Except during system processing time.
